Master license agreement (MLA) administered through Elaine Oaks, Information Technology Services (ITS), at (801) 538-3462. All contract users must coordinate purchases through the MAL Administrator.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

**WARRANTY (INCLUDING YEAR 2000)**

As a reseller, Macroland does not warrant software to be Y2K compliant. User agencies are highly recommended to verify through the manufacturer that all software purchases are, in fact, Year 2000 compatible.

PRODUCT RETURN POLICY

Damaged or defective products can be returned at contractor's expense within 30 days of receipt. Non-defective software may be returned for credit (less shipping costs) with contractor's prior approval within 30 days as long as it is still intact and is in resaleable condition. "Intact software" means package is: 1) sealed in shrink wrapping and contains sealed diskettes; 2) contains an unmarked registration card; and 3) contains all diskettes and templates. A return authorization number (RA#) should be obtained from contractor's rep within 30 days of product receipt and be clearly marked on all packages.
